

## Information on celebration of events on World Pulses Day

Name of KVK: SUNDARGARH-II

### Half Page Write Up on the event organized

**WORLD PULSES DAY** was celebrated on **10.02.2022** under “**Azadi ke Amrit Mahotsav**” to highlight the importance of pulses in everyday life of people, its economic importance on agrarian economy and nutritive value for under nourished population of our country. This was organised at district agriculture office by inviting officials of Agriculture Department and farmers & farmwomen from KVK's operational villages. 30 participants attended the celebration along with 16 officials from Agriculture Department and KVK. Brief presentation was made by Sr. Scientist & Head, KVK Sundargarh-II on basics of pulse cultivation and its economic impact. All participants were given extension literature on different pulses- Its package and practices and disease pest management were highlighted by scientist from KVK. The Agriculture District Officer was Chief Guest and highlighted the importance of pulses in climate resilient agriculture to mitigate the effect of drought like situation by adopting pulses. Farmers- scientist interaction session was done to clarify the doubts raised by the participants.
